MINING ACTIVITY.

There is considerable activity at present in local mining interests, quite a number of our towns-people as also some transients, are finding employment at the Coconino Syndicate and Petoskey mining camps. It is rumored that rich deposits of gold have been found lately while prospecting and minng for iron, for the fluxing of the rich copper ore, of which there is such an bundance on the Buckskin mountains near by. It is reliably reported that the Petoskey people with Mr. Hyrum O. Rose, of Petoskey, Michigan, as the leading spirit, have demonstrated beyond a doubt that Prof. F. A. Wiswell's leaching process with the energetic professor to manipulate it, is an assured success in working their rich copper ore.
